Strengths and Difficulties Questionnaire

For each item, please mark the box for Not True, Somewhat True or Certainly True. It would help us if you answered all items as best you can even if you are not absolutely certain. Please give your answers on the basis of your child's behavior over the last six months.

Your child's name	Male/Female
Date of birth	

Not Somewhat Certainly True True True Considerate of other people's feelings Restless, overactive, cannot stay still for long Often complains of headaches, stomach-aches or sickness Shares readily with other children, for example toys, treats, pencils Often loses temper Rather solitary, prefers to play alone Generally well behaved, usually does what adults request Many worries or often seems worried Helpful if someone is hurt, upset or feeling ill Constantly fidgeting or squirming Has at least one good friend Often fights with other children or bullies them Often unhappy, depressed or tearful Generally liked by other children Easily distracted, concentration wanders Nervous or clingy in new situations, easily loses confidence Kind to younger children Often argumentative with adults Picked on or bullied by other children Often offers to help others (parents, teachers, other children) Can stop and think things out before acting Can be spiteful to others Gets along better with adults than with other children Many fears, easily scared Good attention span, sees work through to the end

Do you have any other comments or concerns?

Please turn over - there are a few more questions on the other side
